

Prospectus 2027

Bridges Academy

(Under the Aegis of Bridges Educational Foundation)

Changtongya Town, Mokokchung: Nagaland - India

ESTABLISHMENT

Bridges Academy is a K to 10 Co-Ed school affiliated with the Nagaland Board of School Education. It is established with firm values to promote, facilitate, and sustain a happy, stable, safe, and orderly environment in which children are educated and developed to their full potential in accordance with SDG 4.

Management's Perspective

Defining a new learning culture

Greetings from Bridges Academy!

Having established a distinguished reputation for academic excellence, quality education, and meaningful contribution to community development, the school continues to move forward with confidence and purpose. Building on a strong foundation of values, innovation, and holistic development, we remain committed to preparing young minds for an evolving world—embracing the transformative potential of AI-driven education while keeping human values, creativity, character, and responsible citizenship at the heart of learning.

Today's generation needs leaders who are intellectually sharp, emotionally balanced, socially responsible, and mentally resilient—individuals capable of steering the future toward meaningful and lasting accomplishments.

*With these aspirations in focus, the school—empowered by the best of pedagogy and technology under the aegis of **Bridges Educational Foundation**—strives to bridge the transition between the **Knowledge Age** and the **Digital Age**, creating an inclusive learning platform accessible to young minds from ages 3 to 16.*

The school management shall try to maintain the highest standard in all its endeavours and stand committed in pursuit of excellence, grooming leaders towards the future that holds tremendous promises. We extend a warm welcome to anyone who wishes to be a part of this wonderful temple of learning.

BRIDGES ACADEMY is committed to encouraging children to be proud of themselves and their achievements, to be proud of their friends and their school:

- *Where every person is valued.*
- *Where all successes are shared.*
- *Where equal opportunities are given.*
- *Where every child is known and cared for.*
- *Where lively enquiring minds are developed.*
- *Where cooperation is preferred to competition.*
- *Where the well-being of our community is at heart.*

Vision: To nurture competent, confident, independent, and responsible individuals who lead empowered, purposeful, and fulfilling lives.

Mission: To ignite, awaken, and enable the spark of genius in each child through a joyful learning environment that fosters knowledge acquisition along with fundamental values, holistically equipping them for global impact.

ADMISSIONS

Parents seeking admission for their children are kindly requested to complete the **Application** along with a **one-time, non-refundable Registration Fee**. This fee ensures provisional reservation of a seat in the desired grade, subject to the completion of all admission formalities within the specified period.

New admissions, where seats are available, will be considered based on both **availability and the child's previous academic record**. The **school management carefully reviews each application** and reserves the right to make the final decision in the best interest of both the student and the institution.

Name of the student:

It is crucial to define the correct spelling of your child's name at the start of their academic journey. We recommend using a complete **"First Name" and "Surname"** without initials. Single-letter initials for the "Middle Name" will not be accepted, as having a full name will be advantageous when filling out important documents like Aadhaar, PAN, Passport, Driving License, and others in the future. NBSE advises schools to guide parents and students on this matter, and Bridges Academy will emphasize its importance during the admission process.

DOCUMENTS REQUIRED DURING REGISTRATION

- a) One Photostat copy of birth certificate and Aadhaar (If available).
- b) 3 copies of recent passport-size photo.
- c) The transfer certificate must be produced after the confirmation of the seat.

ELIGIBLE AGE FOR ADMISSION

(a) A child must be at least **3 years old by 30th April** of the current academic year in which admission is sought for the Nursery class. For higher classes, the eligible age will be calculated as of 30th April, with a corresponding increase based on the initial age of 3 years.

(b) The upper age limit for admission is set as the minimum required age plus 2 years.

THIRD CHILD POLICY:

In recognition of families with multiple children enrolled at Bridges Academy, the school extends a 50% waiver on the annual fees for the third child from the same family. This policy reflects our commitment to supporting parents in providing quality education to all their children, while fostering a spirit of inclusivity and shared opportunity within our school community.

IDENTITY CARD

Each student will be issued an ID card at the beginning of the academic year. This ID card must be presented for all school-related correspondence and events. The ID card is non-transferable and must be brought to school daily.

TEACHING PRACTICES

Bridges Academy is dedicated to implementing the most effective teaching methods to ensure high-quality learning, in alignment with the directives of the Ministry of Education. CCE-compliant concepts and skills are taught and assessed daily in the classroom. Homework and projects are assigned to reinforce daily learning and to develop Higher Order Thinking Skills (HOTS).

Professional Educational Support:

Bridges Academy is partnering with -

- a. **Xseed Education**, a Singapore-based education system that improves thinking skills and problem-solving skills in children, thereby making them more confident and ready for the 21st-century workplace.
- b. **NagaEd**, a school empowering company providing a Digital Learning Management System, tailored to meet the educational pattern of each school as well as the capacity of individual students.
- c. **Computer Shiksha**, an IT professional organization with a dream to bridge the digital divide in our country by giving a lifetime curriculum support, certification, and hardware maintenance.

PARENT APP

Parents are required to install the Parent App, which will be provided during the admission process. Our digital classes include an online test every term, covering various modules. This allows parents to stay continuously updated on their child's learning progress.

SCHOOL DIARY & DAILY JOURNAL

All students are required to maintain an Academic Diary and Journal, which serves as a comprehensive record of daily events and learning outcomes. This diary should be carefully preserved for future reference. All communication between parents, teachers, and students will be conducted through this diary daily.

NO HOME TUITION POLICY

Bridges Academy emphasizes a "**Total-Learning**" approach within the classroom to foster **responsibility, independence, confidence, and competence** in every child. We encourage confidence-building home assignments rather than home tuition, which can lead to dependency and hinder a child's ability to tackle daily challenges independently. Instead, we endorse a consistent personal study schedule monitored by parents as the most effective form of guidance and support for students.

Parent-Teacher Forum (PTF)

The Parent-Teacher Forum is held 2 to 4 times a year with the following objectives:

1. To foster communication, connection, and support between parents and the school, building a strong partnership.
2. To enhance students' academic performance and support their physical and mental well-being through close home-school collaboration.
3. To provide a platform for parents and the school to exchange views on school policies aimed at promoting high-quality education.

COMPULSORY USE OF PENCILS AND FOUNTAIN PENS

1. The use of pencils for writing is mandatory for students from Nursery to Class 4.
2. The use of fountain pens for writing is mandatory for students from Class 5 to Class 10.
3. Fountain pens and other stationery items are available at the school's utility center.

CURRICULUM AND EXAMINATION

The curriculum and examination pattern follow the Continuous and Comprehensive Evaluation (CCE) guidelines as directed by SCERT and NBSE under the Ministry of Education, India. The school employs the latest internationally recognized teaching methodologies. The examination pattern is structured as $FA1 + FA2 = SA1$ and $FA3 + FA4 = SA2$. An All-India Skills and Aptitude Examination (Learnometer) is also conducted, modeled on the format of top competitive exams in the country.

BOOKS, RESOURCE KIT, AND STATIONERY ITEMS

Grades Nursery to Grade 8 get a complete XSEED Book Pack. A resource kit containing all necessary learning materials shall be provided by the school. Other stationery items shall be made available throughout the year from the utility centre.

PHYSICAL EDUCATION & SPORTS

The school emphasizes the overall development of each child, giving equal importance to physical activities alongside academic subjects. To foster a competitive spirit, the school organizes various sports and games throughout the year, culminating in the annual sports finale.

TRANSPORTATION FACILITY

The school provides transport facilities for students commuting from areas outside Changtongya Town within a specified range, determined by the number of commuters. Interested parents can avail of this service after consultation with the school office.

SCHOOL UNIFORM

Wearing the school uniform is mandatory. The uniforms, designed to suit the local climate, are available at the school. The school uniform consists of three sets:

1. Summer Wear
2. Winter Wear
3. Sports Wear

GENERAL RULES AND REGULATIONS

Enrollment at Bridges Academy implies that students and parents agree to comply with the school's rules and regulations.

1. **School Session:** The academic session runs from January to December.
2. **Punctuality:** Students must be punctual for all school activities daily.
3. **Participation:** Participation in all extracurricular activities and life skills programs is mandatory.
4. **Language:** Proper English must be spoken at all times within the school premises.
5. **Behavior:** Any behavior that causes harm to others or damages property will be dealt with seriously.
6. **Prohibited Items:** Cosmetics, ornaments, mobile phones, and electronic gadgets are strictly forbidden. Possession of mobile phones and internet-enabled devices will lead to immediate dismissal.
7. **Food:** Junk food of any kind is strictly prohibited.
8. **Appearance:** Unruly haircuts and untidy dressings are not allowed.
9. **Parental Communication:** Parents should contact the Head/Dean to schedule meetings with teachers regarding school matters or their child.

- 
10. **Parent-Teacher Forum:** Both parents are expected to attend Parent-Teacher Forums held periodically.
 11. **Prohibited Habits:** Chewing pan, smoking, drinking alcohol, and using drugs are strictly prohibited on and off school premises.
 12. **Bullying:** Bullying is strictly forbidden and will not be tolerated under any circumstances.
 13. **Authority:** The school authority's decisions regarding student matters are final.
 14. **Worship and Associations:** No external unions, associations, or worship activities are permitted within the school premises or administration. The school disclaims any group or body that intrudes upon its governance or operations.
 15. **Disciplinary Actions:** Additional disciplinary measures may be imposed on students as needed.

WITHDRAWALS

1. **Management Withdrawal:** The management reserves the right to request a parent to withdraw their child at any time, without providing reasons, if it is deemed to be in the best interest of the school.
2. **Parent Withdrawal Notice:** Parents wishing to withdraw their child must provide the Principal with at least one month's written notice. If the notice is shorter, a late withdrawal fee equivalent to half of the monthly fees will be charged.

3. Issuance of Certificates: Transfer certificates, school leaving certificates, testimonials, and examination certificates will only be issued once all outstanding school dues are cleared.

4. Transfer Certificate Fee: Transfer certificates will be issued upon receipt of a written application for valid reasons, accompanied by a fee of Rs. 1000/-.

IMPORTANT DATES FOR SESSION 2027

1st September 2026 - 10th Jan. 2027 : Admissions and Renewals.

9th February 2027 : Regular classes
